From the time I commenced taking them the gloomy shadow of death receded, and I am now, thank God for it, getting better. on the 28th of June. Since that time I have been as low as any one could be and still retain a spark of vistality. For a week or more I was scarcely shie to swallow an thing, and if I did force a morsal down, it was immediately thrown up again.

I could not even keep a glass of water on my stomach. Life could not last under these circumstances; and accordingly the physicians who had been working faithfully, though unsuccessfully, to rescue me from the grasp of the dread archer, trankly told me they could do no more for me, and advised me to see a clergyman, and to taken but two bottles, I have gained ten pounds, and I feel sanguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months; for, gentlemen, I am a loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taken the place of vague fears—to your Bitters will I owe the glorious privilege of again clasping to my bosom those who are dearest to me in life.

Very truly yours, ISAAC MALONE. We fully concur in the truth of the above statements we had despaired of seeing our comrade, Mr. Maione estored to health.
